“*To Serve and Protect*”

II. DEPARTMENT/DIVISION GOALS (FY2015)

Overall Kaua'i Police Department (KPD) Goals:

1. **Restoration of Crime Stoppers.** During the former part of 2014, concerns were raised about confidentiality/logistical implementation of the programs as it related to report and distribution of monetary awards. These issues shall be addressed and the reestablishment of the program will be completed no later than June 2015.
2. **Drug Take Back Program.** In the recent past, the U.S. Drug Enforcement Administration partnered with local law enforcement agencies to stem the swelling tide of illegal prescription drug usage through a diversionary program called the Drug Take Back Program. While extremely successful, this program was discontinued.

In brief, the program provided, at no cost to the participant, the collection of unwanted and expired prescription medicines. KPD has recognized its value and will continue in this endeavor while expanding the anonymous collections to include illicit drugs such as crystal methamphetamine, marijuana, hallucinogens, ecstasy, opiates, cocaine, and the like. There will be two (2) local collections events located at KPD. The exact dates are to be determined.

3. **Pawn Shops and Second-hand Dealers.** Pawn shops and Second-hand Dealers are being used by burglars and thieves to fence stolen jewelry, tools, cameras, small electronic items and the like, particularly those that are not readily identifiable. And because of the ebb and flow of increasing property crimes related to career criminals, KPD will be acquiring and implementing a computerized program to assist in the recovery of stolen property and identification of suspects.

In conjunction with other law enforcement entities, we hope to have this program in place by summer or sooner. While there is no magic formula, our objective is to identify 25 illegal transactions as a starting point.

4. **Kawaihau District Beat 453.** As part of the mandates of the Community Oriented Police Services Grant toward partial funding of six (6) new Police Officer positions, KPD will be creating a new beat in the Kawaihau District.

The establishment and implementation of a new beat requires coordination of a series of systems that are seamlessly integrated: Beat Mapping, Records Management Systems, Computer Aided Dispatching, and policy modifications to meet accreditation standards. The timeframe for the completion is anticipated to be in the latter part of 2015.

5. **Reduction of Serious Traffic Collisions and Fatalities.** The right of citizens and visitors to safely traverse our highways and roadways is a critical part of our social and economic environment. Therefore it is the goal of the Kauai Police Department to prevent and reduce the number of serious traffic collisions.

Although Kauai has over 53,000 licensed drivers and 97,000 registered vehicles, our enforcement efforts have resulted in the lowest number of injuries and fatalities in the State of Hawaii, however, we must continue to be vigilant in our efforts. Annually, serious traffic collisions are responsible for 280-300 serious injuries and 7-8 fatalities.

While any injury and/or death on our roadways are unacceptable, it is impossible to prevent all traffic collisions, therefore, it is the goal of the reduce those numbers even further by keeping serious traffic injuries below 250 and fatalities at 5 or lower.

6. **New Records Management System.** For over two (2) years the recently acquired Records Management System has caused internal operational challenges that have hindered KPD's ability to provide necessary and needed data to our Officers and outside agencies.

As such, this goal reflects our commitment to purchase a new Records Management System. While it appears that we may not be able to acquire the system in 2015, our goal, nevertheless is to complete 75% of the vendor and procurement appropriations for implementation in 2016.

Patrol Services Bureau (PSB) Goals:

1. Implementation of Beat 453. To satisfy the COP grant that was awarded to KPD and until those positions are filled on a permanent basis, begin setting up the Standard Operating procedure, mapping and CAD to implement manning of the additional beat in Kapaa.
2. Traffic enforcement and education remains a key component of our efforts to reduce traffic fatalities and serious vehicle collisions. We have been trying to reduce the number of traffic crash fatalities for this fiscal year by 10%.
3. One of the functions of the Patrol Officer is to man the cellblock. Implementing cellblock training into our Recruit training has been one of our priorities. We will soon have Recruits training alongside seasoned officers and Public Safety Workers to learn how the Cellblock operates.

Investigative Services Bureau (ISB) Goals:

1. Vice Section Goals:

It is the goal of the Vice Section to disrupt current narcotics/vice activities and to prevent future development of organized crime in the County of Kauai, State of Hawaii through public awareness and education, interdiction and eradication, and through continued long-term and complex investigations leading to the arrest and prosecution of all parties involved.

Vice Section will conduct at least (2) Drug Take Back Initiatives for the island of Kauai.

2. Conduct at least five (5) undercover sting operations targeting illegal sales of tobacco to minors and underage drinking.
3. Provide at least ten (10) in-service informational briefings with Patrol Services Bureau.
4. Plan, coordinate and direct community youth sporting events for youth throughout the island.
5. Increase the number of certified Sexual Assault Nurse Examiners from three to four SANEs.
6. Participate in bi-weekly meetings with the Office of the Prosecuting Attorney (OPA) to review and discuss cold-case files, and all other investigations and procedural items of concern or interest.
7. Establish specific and specialized units within the detective section, separating crimes against person from property crimes, allowing the detective to be trained and experienced in a specific discipline to focus on specific type of crime
8. Increase the number of trained detectives as Forensic Interviewers who are able to conduct both child abuse and child sexual abuse specialty investigations.
9. Continue to improve the working relationship between the County Public Information Officer, and with the media to provide the community information related to crime trends, reporting of suspicious persons/activities, and personal and property safety and security; avoid becoming a victim of crime.

Administrative and Technical Bureau (ATB) Goals:

1. Fill all sworn position vacancies with the exclusion of grant funded positions.
2. Fill all civilian vacancies with the exclusion of grant funded positions.
3. Complete the alternate dispatch center to provide better 911 services.

Office of Professional Standards* (OPS) Goals (FY 2015):

1. Conduct KPD's 1st mock CALEA assessment before the end of FY 2015.
2. Quality Assurance by conducting 3 quality control and compliance inspections every quarter and conduct at least one (1) financial audit on ISB.
3. Incorporate more of the functions available on IAPro: IE: Pre made forms, reports etc.
4. Increase the use of Power DMS for training in regards to ARB and OPS Investigative findings as appropriate.
5. Conduct training for supervisors on the usage of Blue Team, and how to conduct internal investigations in the areas of interviewing, planning, documentation, and Blue Team submissions.
6. Attend IAPro \ Blue Team training for OPS investigators and administrators and attend CALEA conference and training.
7. To improve the security camera coverage and quality for the main station and surrounding parking areas.

The Police Commission consists of seven members who are appointed by the Mayor and confirmed by the County Council. The Commission adopts rules as it may consider for the conduct of its business and regulations of matters relating to the goals and aims of the department. (Article XI 11.03.A)

Appointments are for a three year term with a maximum of two terms.

The Police Commission receives, considers and investigates charges brought by the public against the conduct of the department or any of its members. The Commission is also responsible for reviewing the annual budget. (Article XI 11.03.B/C)

The Police Commission received twenty-one (21) notarized complaints during the fiscal year. There were twelve (12) that were found insufficient, and one (1) was found sufficient; four (4) complaints were found not within Commissions jurisdiction; two (2) complaints exceeded the timeframe for filing a complaint; and one (1) complaint is still pending.

The Police Commission held twelve (12) Regular Sessions, twelve (12) Executive Sessions and one (1) Special Executive Session Meetings during FY 2015.

Office of the Chief of Police

The Chief of Police is responsible for the preservation of the public peace, protection of the rights of persons and property, prevention of crime, detection and arrest of offenders, and enforcement of all laws of the State and County ordinances and all rules and regulations made pursuant thereto.

The Chief of Police is responsible to equip, train, maintain and supervise a force of police officers and civilian staff. The Chief is also responsible for the serving of processes and notices both in criminal and civil proceedings.

The Chief of Police plans, organizes staffs, directs and controls the personnel and resources of the department, and administers the department in a manner consistent with the Charter of the County of Kauai and the laws of the State of Hawaii.

The Chief of Police shall make such reports from time to time as the Police Commission shall require, and shall annually make a report to the Commission of the state of affairs and condition of the department.

The Office of the Chief of Police provides overall direction and supervision to all of the sub-units and personnel of the department. It establishes departmental goals and priorities and monitors the progress of bureaus in attaining these goals. It also directs and supervises the Office of Professional Standards and the information gathering and enforcement efforts of the Criminal Intelligence Unit (C.I.U.). The Office of Professional Standards includes investigation of complaints against police officers and working towards CALEA accreditation.

Patrol Services Bureau (PSB)

The Patrol Services Bureau is responsible for the preservation of the public peace, prevention of crimes, and pursuit of offenders, enforcement of State laws and County ordinances, and protection of rights. There are four main components. The first and largest and is our Uniformed Patrol Section, dispersed in three Districts and Supervised by a Lieutenant in each. The second is our Traffic Safety Section, comprised a Lieutenant, Sergeant and four Officers. This Section primarily is focused on Traffic Enforcement and the investigations of Fatal and near fatal traffic accidents. The third is our Cell block which is staffed by five Public Safety Officers and supplemented by Patrol Officers on a rotating basis. This section and the following (last/fourth) Section is supervised by a Lieutenant. The last Section is our civilian Communication Section (Dispatch). The Communications Section provides services to Police, Fire and Ambulance.

Investigative Services Bureau (ISB)

The Investigative Services Bureau is comprised of three (3) sections: The General Crimes Section, the Special Focus Section, and the Vice Section.

The General Crimes Section conducts complex and detailed investigations of criminal cases and certain non-criminal cases, which may be associated with death reports and other unique situations which require further examination. Investigations primarily focus on felony offenses, but may include more complicated misdemeanor offenses.

The Special Focus Section includes investigations into white-collar/financial crimes, computer crimes, domestic violence cases, missing persons cases, and the School Resource Officers (SRO) program.

The SRO's are assigned to the 3 public high schools (Kapaa High, Kauai High and Waimea High). The SRO participates in, and is an instructor in school-related programs such as DARE (Drug Abuse Resistance Education) and Keeping it Real, which is an Evidence Based Drug/Crime Prevention Education Program. Instructions are provided to 7th graders at all three public middle schools and to 5th graders in all public elementary schools across the island; offering counseling and mediation services within the respective school and investigate school-related incidents. The SRO conducts investigations into school related incidents, assists with emergency planning and participates with drills and exercises related to student and faculty safety and security.

The SRO program also administers the K-PAL program, which plan, coordinate and direct after-school and weekend activities for youth ranging in grades Kindergarten through twelfth grade.

The Vice Section conducts complex investigations into drugs/narcotic and morals and gambling offenses on local, state and federal levels.

Administrative and Technical Bureau (ATB)

The Administrative and Technical Bureau provides support services to other police elements within the department., ATB is responsible for Training, Research and Development (including the hiring process and recruitment), Community Relations, Fiscal, Personnel, Records, Firearm Registration, Payroll, Evidence, Fleet Maintenance, Records Management Systems and large and small contracts and procurements. ATB also provides bureau services directly to the public, especially via Records, Firearms Registrations and Community Relations.

Operational facets include overseeing a large part of the department's budget, maintaining payroll, and keeping pace with personnel, human relations, and workplace environment issues. The Training section coordinates all official department training, including the police academy for newly hired recruits.

Recruitment and retention of personnel, especially sworn police officers, remains a high priority for the department, with the Research & Development, Training and Personnel Sections taking lead roles in addressing this critical area.

A. OBJECTIVES

Program Objectives – Overall Kaua‘i Police Department:

To enhance and institutionalize the philosophy of Community Policing and the creation of a positive and pro-active partnership between police officers and our citizens; to be responsive to the needs of our community.

To increase positive interactions with the youth of our community and to create programs to reduce the probability of youth crimes.

To develop and promote an internal work environment based on mutual respect, dignity, and trust; to ensure that all employees are treated fairly and equitably.

To provide efficient and tenacious law enforcement so as to prevent criminal behavior, and to apprehend those responsible for criminal acts.

To actively pursue and obtain the resources, training, and equipment needed by our employees to maximize their efficiency and effectiveness.

The Kauai Police Department supports the belief that there is a direct correlation between an increase in drug arrests and seizures, and subsequent decrease in the number of overall crimes. To this extent we remain committed to ensuring that all possible efforts will be taken to reduce drug related elements within the Community.

The amount of new hires, especially police officers, continues to be a reflection of the positive strides being made in this area. However, keeping pace with retirement and other attrition factors have been and will remain a challenge in FY 2015.

Program Objectives - Patrol Services Bureau (PSB):

The Patrol Services Bureau continues emphasis on driver education and awareness and the voluntary compliance of traffic ordinances and statutes, through enforcement projects of hazardous moving violations. Decrease the number of Traffic casualties and fatal occurrences through Random Sobriety Check points throughout the island.

Further the training and awareness for all patrol personnel, in the Incident Command System, man-made and natural disaster hazard mitigation.

Solidify the establishment of the additional beat as staffing availability permits.

Strengthen the newly formed Communications Team, through training and procurement of needed communication and other support equipment via the Homeland Security Grant(s) for continuity of operations during emergency events, whether natural or manmade.

Establish stronger positive interaction between the public and police officers, with the goal of addressing and mitigating public safety issues and concerns. This includes participation and

attendance at community/neighborhood meetings; volunteering at special events/non-profit fundraisers; appearing at schools; and participating in youth programs.

Program Objectives - Investigative Services Bureau (ISB):

Bureau investigators are responsible for the gathering and preservation of evidence, conduct interviews and interrogations, preparation of various legal documents ranging from, Search Warrants, Arrest Warrants, Administrative Subpoenas, etc., to prepare their respective cases for prosecution.

The Bureau conducts community outreach by conducting informational presentations, which is supported by the personnel of the various disciplines. This includes, but is not limited to, drug and gang awareness resistance education, theft and burglary prevention to minimize victimization.

An on call-detective program is in place to ensure an immediate response for after-hour investigations involving major felony offenses and major incidents.

The bureau also invests in youth development program such as the K-PAL program. This program, which is active year-round throughout the island, is used as a tool to bring juveniles into safe and supervised activities. The athletic/recreational activities provide valuable lessons in teamwork, self-esteem, discipline, sportsmanship and the merits of hard-work. In turn, this provides venues where K-PAL can provide Evidence Based Crime/Drug-prevention education more effectively.

The vice section seeks to increase the number of drug investigations conducted, leading to search warrants being executed and to affect the arrest of individuals involved in the use, sale and distribution of narcotics, to include marijuana, cocaine, crystal methamphetamine and other illicit drugs and to disrupt or dismantle drug trafficking organizations on Kauai, the State of Hawai'i and beyond. The section will also continue to initiate two (2) Drug Take Back events for the Island of Kauai.

Program Objectives - Administrative and Technical Bureau (ATB):

Enhance the relationship between the community and police department through community policing projects and programs.

Effectively maintain and manage the following; police records, information systems, fingerprinting and photographic services, evidence storage, service of warrants and legal documents, issuance of permits and registration of firearms.

Assist in the development of efficient and professional police personnel by developing and coordinating training programs including; recruit training, emergency vehicle operations, self-defense, firearms, forensics, sexual harassment and supervisory training.

Continue assessing computer needs for the department to enhance operational efficiency, including the Computer Aided Dispatch (CAD) and Records Management System (RMS) systems.

Continue to seek potential funding for the department via Federal and State Grants.

Recruit, screen, and hire personnel to fill vacancies within the department.

B. HIGHLIGHTS

Program Highlights – Overall Kauai Police Department:

KPD has had many successes this past fiscal year. KPD's most important achievement was the hiring and training of seventeen new police officers who are presently assigned to the Patrol Services Bureau. With the infusion of the new officers into the patrol schedule, hopefully overtime expenditures will be reduced in the area of cancelled days off to cover basic services.

Secured \$2.3 million dollars from the Enhanced 911 Board KPD is in the process of procuring a new CAD / RMS for public safety partners in the County of Kauai.

Accreditation continues to be a major goal through changes in policies and procedures, training, and internal accountability.

Program Highlights – Patrol Services Bureau (PSB):

Enforcement: The overall number of citations issued by the Patrol Services Bureau increased by approximately 9% from the previous year. There was no significant change in Operating a Vehicle Under the Influence of Intoxicants (OVUII) arrests. An increase occurred in the category of hazardous moving citations, up approximately 9.5 % from last year. Speeding citations issued showed no significant increase from the previous year. The total number of Seat Belt citations increased 9% from the previous year. The total numbers of arrests decreased by 11% while the service of warrants increased by 8%.

Traffic Safety Unit personnel directed traffic or closed roads for 11 events which included Hospice Concert in the Sky, Kōloa Plantation Days Parade and the Kaua'i Marathon.

Program Highlights- Operation of Professional Standards (OPS):

For the FY 2015, the OPS conducted ten (10) inquiries, received twenty (20) citizen complaints, five (5) complaints from the Police Commission and forty-six (46) commendations.

OPS conducted six (6) unannounced quality control audits on KPD vehicles and personnel.

OPS conducted 1 Blue Team Training involving supervisors from both the Patrol Services Bureau and the Investigative Services Bureau.

OPS organized and managed the building of two new offices within the ISB section.

OPS expanded its personnel with the addition of an investigator bringing total personnel up to three (3) which includes; one (1) Lieutenant and two (2) Sergeants (1 for investigations and the other for CALEA).

Program Highlights - Investigative Services Bureau (ISB):

VICE SECTION:

In September of 2014, the Vice Section assisted Homeland Security-Border Enforcement Security Task Force (BEST) Los Angeles & Honolulu Division, and Drug Enforcement Administration (DEA) Honolulu Division in conducting a controlled delivery of Safrole Oil (14.36kg) (DEA Schedule one chemical commonly used to manufacture MDMA) from Young Brother's shipping yard to 55 Kii Road Waimea. Further investigation revealed an MDMA Laboratory in a shed on the suspect property. A male and female was later detained and the property was secured. The male subject later shipped to FDC Oahu. Disposal Company PENCO was contacted and eventually removed all hazardous materials and shipped off island via Young Brothers for proper disposal. The suspect in this case was later found guilty and given probation.

In the months of February and March 2015, members of the Kauai Police Department Vice Section conducted an investigation into a suspect transporting large amounts of methamphetamine from California to Kauai. Through the course of the investigation, suspect from Ontario, California, was arrested at the Lihue Airport. Kauai Police Department Vice Officers and Drug Enforcement Administration (DEA) agents executed a search warrant on the suspect's luggage. Evidence showed that the suspect attempted to avoid Kauai Police Department Officers and DEA agents after he deplaned the California flight at the Lihue airport. The suspect, who has a prior state felony drug conviction for promoting methamphetamine; faces up to life in prison, with a mandatory minimum 20-year term of imprisonment when he is sentenced on October 21, 2015. This investigation was conducted by the Kauai Police Department with the assistance of DEA.

April 26, 2015 the Vice Section hosted the DEA National Drug Take Back Initiative which resulted in a total of 13 boxes being filled with a combined weight of 149.2 lbs.

2014-2015 SEARCH WARRANTS

From July 2014 to December 2014, Detectives initiated and executed **24** search warrants on houses, vehicles, persons, bags/backpacks, cell phones, banking institutions and social media accounts from all 10 Districts on Kauai. Numerous items related to evidence of a homicide, sexual assaults, fraud use of credit cards, identity theft, thefts and burglaries were recovered and or seized leading to numerous arrests/convictions as well as some cases still pending trial.

From January 2015 to June 2015, Detectives initiated and executed **22** search warrants on houses, vehicles, persons, backpacks, cell phones, banking institutions and social media

accounts from various parts of Kauai. Numerous items related to evidence of a homicide, sexual assaults, thefts, burglaries, fraud use of credit cards, identity theft and violation of privacy cases were recovered and seized leading to numerous arrests, pleas, convictions, and pending trial.

MAJOR CASES (GENERAL CRIMES SECTION)

In August 2014, a 43 year old male suspect entered a residence without permission to do so. The suspect then sexually assaulted a female juvenile and was later arrested for Burglary 1st and Sex Assault 3rd and was held in lieu of \$50,000 bail.

In October 2014, a 34 year old male suspect was located and arrested for Violation of Privacy 1st and later released pending investigation. This investigation started in April 2014 where a 17 year old female juvenile observed a cell phone underneath her dressing room door while in a store in Kapaa. She notified store personnel at that time and upon reviewing the store's surveillance footage, the camera captured an unknown male subject trying to illegally photograph or video unsuspecting female customers in the dressing room area. The suspect could not be identified initially but continued investigation by detectives revealed the identity of the suspect.

On December 31, 2014, a 44-year old female subject reported being held against her will at her residence with a knife, by a 43-year old male subject known to her. A search was conducted for the suspect but he eluded police. On January 9, 2015 the same male suspect returned to the female victim's residence where he abducted her a second time and held her captive, by using excessive physical force, within her residence. The victim eventually got away and contacted the police and the male suspect was apprehended shortly thereafter and charged with two counts of Kidnapping and one count of Robbery 1st and is currently being held in lieu of \$300,000 bail.

In February 2015, a liquor store robbery was reported in Kapaa. Initial police investigation revealed that an unknown adult male subject had entered into the store and violently attacked the 70 year old victim, causing substantial bodily injuries, and then taking money from the cash register and exiting the store. ISB detectives conducted their investigation and identified the suspect as 29 year old Kawika MANAKU. MANAKU was located in the Kapaa area and upon arrest was found with drugs and drug paraphernalia. MANAKU was charged with Robbery 1st, Pro Dang Drugs 3rd and Drug Paraphernalia and was held in lieu of \$500,000 bail. In June 2015, MANAKU was sentenced to 25 years in prison.

Between October 2014 and March 2015, numerous burglaries and thefts were occurring in communities around the island of Kauai. During that timeframe, ISB detectives followed up on leads and gathered evidence and came up with a list of suspects and the following events:

On February 18, 2015, PSB responded to a Burglary 1st case in the Kawaihau District with no witnesses and/or suspects identified at the time and the case was sent to ISB. ISB detectives conducted their investigation and identified two suspects, Jacob MATTHEWS and Audessa

REGO. A search warrant was executed on MATTHEWS' residence and stolen property from the said Burglary and a large amount of marijuana was recovered and both MATTHEWS and REGO were charged with Promoting a Detrimental Drug 1st, Burglary 1st and Theft 2nd. In March 2015, ISB detectives linked MATTHEWS and REGO to numerous Burglary and Theft cases and were each charged with multiple counts of Burglary 1st and Theft 2nd.

Also in February 2015, a female juvenile reported being sexually assaulted by a male juvenile. The victim reported that the suspect forced himself on her and she did sustain injuries. The male suspect was located and detained for Sex Assault 2nd and later released to the custody of his parents.

In March 2015, Detectives received a follow up request to locate and question a suspect in regards to a Sex Assault case in Maui. Detectives located the 42 year old male suspect in Waimea, who confessed to the sex assault, and was later arrested and extradited to Maui County and is now awaiting trial.

In April 2015, ISB detectives were called out to a suspicious house fire in the Wailua area. The fire was extinguished by the home owner prior to KFD's arrival and ISB's investigation revealed that the fire to the residence was intentionally set and a 24 year old male suspect was identified and arrested on two counts of Arson 1st and released pending investigation. In July 2015, the suspect was indicted on two counts of Arson 1st and is currently out on \$25,000 bail.

In May 2015 a 17 year old male suspect brandished a knife, during a verbal argument and cut one victim and stabbed another. The alleged knife was recovered as evidence and the suspect refused to make a statement. The 17 year old suspect was subsequently detained and charged with two (2) counts of Assault 2nd.

Also in May 2015, a 39 year old female suspect was indicted for Assault 1st in regards to a case reported in October 2013, regarding a case involving a nine month old infant who had sustained severe life-threatening injuries while in her care. The female suspect is currently out on \$100,000 bail.

In June 2015, ISB personnel responded to a call of a suspicious vehicle versus pedestrian traffic collision in the Lihue area. ISB investigation revealed that two male subjects were involved in a verbal altercation that turned deadly, when the 34 year old suspect got into his vehicle and struck the 37 year old victim, killing him. The suspect was arrested and charged with Manslaughter and Released Pending Investigation.

Also in June 2015, detectives investigated an incident in which an adult male suspect got into a verbal altercation with a group of adult males in Anahola. The 44 year old suspect left the area and then returned with a compound bow and shot four (4) arrows at the victims. The suspect was later located and arrested for Attempted Murder 1st. The suspect is currently being held at KCCC in lieu of \$275,000 bail.

Also in June 2015, ISB detectives investigated a reported Robbery case. ISB investigation revealed that a 49 year old male suspect used a bat to shatter the 37 year old female victim's

vehicle window (while she was seated in the driver's seat), reached in, grabbed her belongings and fled the area. The suspect was later located and arrested for Robbery 2nd, Criminal Property Damage 1st and Unauthorized Entry into a Motor Vehicle 1st and is currently out on bail.

Also in June 2015, ISB was notified of a possible sex assault case. ISB investigation revealed that the 42 year old suspect had taken nude photographs of the 22 year old female victim, while she was unconscious. A search warrant was executed on his residence and the suspect was subsequently arrested for Violation of Privacy 1st and released pending investigation.

MAJOR CASES (SPECIAL FOCUS SECTION)

On October 5, 2014, Detective Ray Takekawa responded to report of an adult male Foster Parent Sexually Assaulting a female Foster Child. The Adult Male was arrested for 5 counts of Sex Assault 3rd.

In December 2014 an Adult male, an Adult female and a Juvenile Male were arrested for (2) Stolen Vehicles in the Lihue area. While conducting the arrests of the stolen vehicles Twenty (20) additional related charges were made for Theft, Unauthorized Use of Credit Cards, Forgery and Identity Theft.

In December 2014 an Adult male was arrested for driving a stolen vehicle in the Puhi area that resulted in additional charges for Promotion of a Dangerous Drug, Acts Related to Drug Paraphernalia and Criminal Trespassing.

In January 2015 an adult female was arrested for 17 offenses that occurred in the Kawaihau District. The offenses included Burglary, Theft, Theft of Credit Card and Drug Possession.

In February 2015, while doing a Park Sweep Project for underage drinking of Alcoholic Beverages & Illegal Activities, the SRO Unit responded to a report in the Kawaihau District of a male subject having problems with his girlfriend and was in possession of a gun. The male subject threatened the SRO Unit Officers with a knife and threatened to shoot the officers with a handgun. The male subject was eventually arrested for Terroristic Threatening in the 1st Degree and then also charged via a Grand Jury Indictment for additional charges of Terroristic Threatening 1st (3X), Assaulting a Police Officer 2nd (1X) and Assault in the 2nd Degree (1X).

Special Focus Unit Highlights:

The Special Focus Section is tasked with the suppression, prevention and investigation of an array of crimes. The Section serves as a supportive role to the other elements of the Investigative Services Bureau and continues to provide specialized services to the community.

The Section maintains these services through normal fiscal channels and grant funding. The Section contains elements including; School Resource/Dare Officers, White Collar Crimes Investigator, Cyber Crime Investigator, Domestic Violence Intervention Coordinator, The Sex Assault Nurse Examiners (SANE) program.

The Special Focus Unit was led by Lieutenant Mark Ozaki.

Detective Chad Cataluna handles all white collar crimes cases. These investigations are tedious and require many hours of reviewing evidence and analyzing the data.

The Unit's Domestic Violence Coordinator (DVIC) position is held by Ms. Regina Kaulukukui. Ms. Kaulukukui is responsible for the intake and review of all cases involving family abuse, restraining and protective order violations, and domestic disputes. Ms. Kaulukukui refers the cases to the prosecutor's office for review, performs follow-up action, compiles data and ensures the victim's needs are met. Ms. Kaulukukui represents the Kauai Police Department on the Domestic Violence and provides training both in-house and to the community at large.

The coordinator for the SANE program is Ms. Jennifer Antony. The Sex Assault Nurse Examiners (SANE) program consists of trained and certified nurses who conduct the forensic examination during a sexual assault investigation. The SANE(s) will photograph, collect evidence and document their examination for the assigned detective. The SANE may be called upon to provide testimony during court related to the examination.

The Youth Services/Missing Persons Coordinator position was held by Claire Ueno. Ms. Ueno had over 30 years of experience in her position. Ms. Ueno assisted in all missing person investigations and conducts follow-up actions involving juvenile crimes. Ms. Ueno retired as of June 2015.

The School Resource Officer unit is currently led by Acting Sergeant John Mullineaux and there are three officers assigned to the unit are Morris Unutoa, Lance Okasaki and Andrew Muraoka. The officers received specialized training in dealing with juvenile related issues, and also conduct juvenile education, juvenile counseling and juvenile law related issues. The unit is tasked with the suppression, prevention and investigation of crimes committed by or against juveniles in the schools,

The SRO's also provide Law related Educational Presentations, Counseling and Mediation Services within their respective schools. The school-based program provides DARE/Keepin' it Real, which is an Evidence Based Drug/Crime Prevention Education Program to all 7th graders in 3 public schools and 1 private middle school on the Island of Kauai. The unit handled all High School and many Middle School complaints, investigating 698 incidents which led to 583 arrests.

The School Resource Officers continue to be an extremely valuable asset within the schools, and their presence is providing a deterrent for most criminal activity within the schools and discourages trespassers onto school grounds. The contact that these officers make with the students during their daily contact has proven extremely valuable in future relationships between the officers and their students.

Another operational focus of the section is the K-PAL program which serviced approximately 1500 juveniles between the ages of Kindergarten to Seniors in High School. K-PAL was formed to prevent juvenile crime, violence, and drug use, utilizing an after school and weekend recreation-oriented juvenile crime/drug prevention program that relies heavily upon athletics, recreational activities, evidence based education and police officers mentoring juveniles to help kids go right and stay right. Through our crime and drug prevention programs our mission and commitment is to "Filling Playgrounds, Not Prisons".

Program Highlights – Administrative and Technical Bureau (ATB):

The Administrative & Technical Bureau is commanded by Assistant Chief Robert Gausepohl. Captain Paul Applegate is the second-in-command of this bureau.

The Research & Development Section:

The Research and Development Section consists of a Lieutenant and two Sergeants, one of whom is in charge of Community Relations. Lieutenant Roderick Green is in command of the section. Sergeant Darla Abbatiello is assigned to this section and oversees three background investigators. She is responsible for the complex background investigation process and much more for all applicants for employment with the Kauai Police Department. Sergeant Abbatiello is also responsible for procuring uniforms and equipment, and assisting with department inventory, and has been instrumental in the hiring process

Sergeant Michael Nii filled the Community Relations position. Sergeant Nii handles various tasks including station tours, oversees the department's chaplaincy program, job fairs, and career days at local schools. Sergeant Nii also gives Neighborhood Watch Program presentations and other community related initiatives.

Citizen's Police Academy:

On May 5, 2015, 5 civilians graduated from the Kaua'i Police Department's 4th Citizens Police Academy. During the academy the participants attended 13 sessions of police related classes which allowed them some insight as to what police officers are required to do. Citizens expressed their concerns, asked meaningful questions, and gained a better understanding of some of the decisions made by public safety professionals. The Citizens Police Academy curriculum included an overview of recruit training, use of force, drill and ceremony, crime scene investigations, and simulated court. Attendees also got trained in emergency vehicle operations, became familiar with a firearm, and participated in a police ride-along. In addition to learning about the various aspects of police work, participants in the class gained an understanding of the importance of police and community partnerships on Kaua'i. Participants came away from the class more aware of the challenges on our island, while also gaining a better understanding of the men and women who serve and protect it.

The section is also responsible for initiating and formulating contracts, coordinating physical examinations and urinalysis screening, establishing safety and health programs, obtaining funding through various grants, and participating in various community related service

projects. In addition, the section also conducts project research, analyzes crime trends, and coordinates the department's written directive system. The most critical role of the section continued to be the recruitment, hiring, and background investigations for both sworn and civilian employees. During FY 2015, several employees were hired: (10) ten Police Service Officers, (3) three Radio Dispatchers, (1) one Crime Scene Specialist, (1) one Secretary, (1) one Police Evidence Custodian I, (1) one Police Records Clerk, (1) one Off Duty Clerk and (2) Short Term Clerical Support.

The Research and Development section continues to explore ways to streamline and enhance the recruitment/hiring process, as we continue our goal of attracting and retaining the most qualified and best-suited applicants for the department.

Training Section:

Lieutenant Todd Tanaka and Sergeant Len Nitta led the Training Section which continued to provide pertinent training to mitigate risk for the Kauai Police Department. The section also provided training to keep abreast of technological advances in criminal investigations. Annual Recall Training was conducted during the 4th quarter of the fiscal year, and focused on: Firearms Qualification, TASER re-certification, Use of Force review, and a standardized physical fitness battery.

More than 24,562 hours of training involving over 80 different training sessions were provided to police personnel throughout FY 2015. Some of the courses included:

Polygraph Examiner:

Sergeant Jason Matsuoka, the department's sole polygraph examiner, conducted 22 polygraph exams. Of those exams, 18 were pre-employment, and 4 were criminal.

Fiscal/Personnel:

Daurice Arruda, Vivian Akina, Brittany Kauai and Mona Mae Caldeira handled the department's fiscal and personnel needs. This section oversaw the department's budget, accounts, grants, payroll and other personnel responsibilities.

Records Section:

Records Supervisor Eunice M. Apeles served as the overall supervisor for the department's Records Section, which includes Firearms Registration, AFIS, and Evidence. This section was staffed by Joni Y. Arakaki (Police Records Analyst), Allison K. Ageno (Police Report Reviewer), Kristal V. Nebre (Evidence Custodian), Mikalynn M. Hiranaka (Police Records Clerk), Clyde J. Letreta (Senior Clerk AFIS), Taytralyn J.N. Nuivo (Police Warrants Clerk), Jeaneth M. Panoy (Weapons Registration Clerk), Nancy A. Zoder (FBR/RMS Support Clerk), Brent Amoy (Evidence Custodian).

Fleet Coordinator:

Glenn Ebesu was responsible for the coordination of maintenance associated with police fleet vehicles. Mr. Ebesu was able to utilize his skills and abilities to save the County a significant amount of money. His innovation and productivity is a great benefit to the County. Through his savings KPD was able to procure a much needed new forklift.

Police Computer Systems Technician:

David T. Pickard is responsible to coordinate with the County's Information Technology Unit to ensure that the computer-related systems / network / communications utilized by Kauai Police Department are working reliably, securely, and efficiently, including Computer Aided Dispatch (CAD), Mobile Data Terminals (MDTs), Records Management Systems (RMS), and Field Based Reporting (FBR).

Kaua'i Police Department Web Page (www.kauai.gov/police/):

The Kaua'i Police Department's webpage now has an online Suspicious Activity Report form. The online form was developed to make it easier for the community to anonymously report suspicious activities. The webpage also has an Online Request for Services form that allows community groups and organizations to request services such as Safety Presentations, Police station tours, Neighborhood Watch Meetings, and numerous other community related activities.

GRANT PROJECTS FY2015

The Project Manager in each program is responsible for acquiring State and Federal grant revenue funds. Most grants extend over multiple years. The Administrative Bureau is accountable for the fiscal reporting and tracking of the following grant awards.

1. State Highways Special Enforcement (State DOT - \$571,469):
Law enforcement and public education relating to distracted driving; deter drivers from drinking and driving, enforce underage drinking, enforce seatbelt and speeding laws and provide training for Traffic Safety Unit officers.
2. 911 Emergency Medical Services (State Department of Health - \$162,450):
To operate a central 911 and dispatch communications center for emergency medical ambulance service.
3. Statewide Marijuana Eradication Task Force (State Attorney General - \$58,662):
To eradicate marijuana in Hawaii through a multi-agency/multi-jurisdictional cooperative effort.
4. Hawaii Narcotics Task Force (State Attorney General - \$65,709):
To prohibit drugs in the State by counteracting smuggling of narcotics via apprehension and conviction.
5. Domestic Cannabis Eradication/Suppression Program (U.S. Department of Justice- \$73,000):
To eradicate illegal cultivation of marijuana.
6. High Intensity Drug Trafficking Area HI-IMPACT (Office of National Drug Control Policy - \$31,465):
To combat the drug problem, specifically that of Crystal Methamphetamine.
7. State Law Prohibiting Tobacco Sales to Minors (Department of Health - \$10,000):
To reduce tobacco sales to minors.
8. SANE Recruitment, Training & Standby (State Attorney General - \$95,948):

To strengthen County of Kauai response to adolescent and adult female victims of sexual assault by recruiting, training and retaining new SANE (Sexual Assault Nurse Examiners), and by providing continuing educations to current SANE and sex crimes investigators.

9. SANE Exams and DNA Analysis (State Attorney General - \$47,695):

To provide SANE (Sexual Assault Nurse Examiners) exams to all adolescent and adult female victims of sexual assault according to the statewide examination criteria developed and adopted by members of HSART (Hawaii Sexual Assault Response Team), to analyze forensic evidence to assist in investigations.

11. Bulletproof Vest Partnership (Department of Justice - \$9,693):

Reimburse Kauai Police Department 50% of the cost of replacement bulletproof vests for the safety of the officers.

12. Joint Force Reimbursements (Department of Justice - \$89,001):

Overtime reimbursement for the joint efforts of cross jurisdictional operations with FBI, DEA, US Marshals etc.

TOTAL OF ALL GRANTS = \$2,161,856.

Enhanced 911 Fund

Program Description:

The Enhanced 911 Fund was established in accordance with Act 159/SLH 2004, as a special fund outside of the state treasury, to be administered by the Enhanced 911 Board. The fund consists of monthly surcharge collections imposed on each Commercial Mobile Radio Service (CMRS) connection (wireless telephones and similar devices). The Administrative & Technical Bureau's Assistant Chief represents the County of Kaua'i at the State of Hawai'i Enhanced-911 Board meeting and Technical and Finance Committee meetings each month. The A&T Bureau is also responsible for the submittal of reimbursement requests to the Enhanced 911 Board for corresponding expenditures detailed below.

1. Pictometry Intelligent Images - \$204,825:

Pictometry imagery and software enables users to "See Everywhere, Measure Anything, Plan Everything," using a digital information system.

2. Akimeka, LLC. – \$220,000:
Provides continued Wireless Enhanced 9-1-1 (E9-1-1) Program Management and Geographic Information System (GIS) Services for Neighbor Island Counties to support on-going operations and maintenance of their E9-1-1 system
3. Hawaiian Telcom - \$111,398
Hawaiian Telcom Intrastate Tariff Charges charged for each Cache Meta Language (CML) position housed in a Public Safety Answering Point (PSAP) is reimbursed by the Wireless Enhanced Board Funds. This service through Hawaiian Telcom is necessary in order to receive emergency 911 calls. The Hawaiian Telcom trunk charges are the only mechanism for the PSAPs to receive emergency 911 calls. Without this service, none of the emergency responders would be able to respond to emergency 911 calls.
4. VisionAIR, Inc./Tri Tech - \$404,000 balance:
Contractor installing and implementing Computer Aided Dispatch (CAD), Mobile Computer Aided Dispatch, Geographic Information System, Automatic Vehicle Location, Emergency Calling Data Center and Records Management System (RMS) upgrade project total \$3,800,000.
5. Travel - \$30,000:
As County of Kauai representatives, Acting Assistant Chief Rob Gausepohl, David Miyasaki and Lavina Taovao's travel to attend the monthly board meetings, monthly Finance and Technical Committee meetings and an Annual Training Conference which are fully reimbursed by the Enhanced 911 Board funds.
6. Alternate Dispatch Equipment - \$315,000:
All public safety systems should have an alternate means of operating in case of an event. A necessary addition was the creation of the alternate dispatch center at a secondary location for security and redundancy. The Enhanced 911 Board reimbursed for the equipment purchases needed to equip the Alternate Dispatch facility.

TOTAL 2015 REIMBURSABLE EXPENDITURES = \$1,285,223.

Patrol Services Bureau Grants:

The Traffic Safety Section controls eight grants provided by the Federal Government through the National Highway Traffic Safety Administration (NHTSA).

1. Traffic Records Grant \$73,710.00
Kaua'i Police Department will participate in Traffic Records Committee and Sub Committees and attend the monthly meetings as well as the special meetings. Kaua'i Police will send a representative to the International Forum on Traffic Records and Highway Safety Systems. Kaua'i Police will also purchase equipment to implement an Electronic Citation pilot project.
2. Distracted Driving Grant \$65.950

The Kaua'i Police Department's (KPD) goal in FY 2014/2015 is to increase the number of mobile device citations by ten percent from 999 citations issued in 2013 to 1099 citations by September 30, 2015.
3. Impaired Driving \$144,480
The goal of the Kauai Police Department is to increase the number of OVUII arrests due to operators driving while impaired. KPD will set up checkpoints and do saturation patrols to deter and arrest intoxicated drivers, as well as arrest and cite violators for other offenses.
4. Occupant Protection \$116,801
The goal of the Kauai Police Department is to reduce the number of motor vehicle fatalities and injuries due to occupants not wearing restraints, as well as reduce fatalities and injuries to children by enforcing child safety seat use. Will purchase child restraints and boosters for events and an enclosed trailer to transport and store equipment. KPD will set up checkpoints and check- up sites for child restraints. KPD will continue hire a CPS Program coordinator and will hold classes to certify CPS technicians.
5. Speed Grant \$83,573
Kaua'i Police will be utilizing grant funds to purchase three (10) laser speed guns and three (3) Stalker DSR 2X radars. The department will conduct 550 hours of overtime and issue a minimum of 1831 citations for speeding.
